IT'S **ELECTRIC**

SUNDAY **OCTOBER 4**

ON THE LAWNS IN FRONT OF OLD PARLIAMENT HOUSE, CANBERRA

This festival will feature the Ferrari beating electric Tesla and the 1917 vintage Detroit Electric, which is still going strong. Then there is everything in between, like the Vectrix electric motorbike, soon to be on sale in Canberra, to a host of stalls showcasing conversions, infrastructure technology and more. With free entry, food, refreshments, rides and entertainment, the first electric vehicle festival will be a positively charged experience! Be part of it.
